Agency Representatives

1. Sh. Vijay
M/s Tank Kleaners
2. Sh. Vikas Chawla
M/s Sarthak Enterprises
3. Sh. Satish Kumar
#21/C, Model House, Jalandhar

The members of the Committee and representatives of agencies were welcomed and briefed about the scope of work, terms & conditions of the tender floated for Dewatering, Cleaning & Desilting of Artificial Lake at Pushpa Gujral Science City, Kapurthala.

The committee discussed and deliberated on the queries raised by Agencies and agreed as follows:

1. Time for Completion of work:

The agencies requested to extend the time for work completion from one month to 60 days as dewatering itself would require 20 days. Accordingly, the committee agreed for 60 days time completion of work from the date of issue of order.

2. The Agencies sought clarification regarding the eligibility criteria w.r.t. similar work and the committee clarified that the similar work includes works of cleaning of overhead reservoirs, swimming pools, lakes, canals etc.

All other terms & conditions shall be as per the original tender document.

(Dr. Munish Singla)

(Dr. Munish Soin)

(Sheeraj Batish)
