1. Sh. Rajesh Sharma
M/s Solitaire Infosys Pvt.
Ltd, Mohali
2. Sh. Arshdeep Singh Veer
M/s ItSilver Innovation &
Infotainment LLP,
Jalandhar

The members of the Committee and representatives of agencies were welcomed and briefed about the scope of work, terms & conditions of the tender floated for Supply, Installation and commissioning of Software for Computerized Ticketing at Pushpa Gujral Science City, Kapurthala, Punjab.

The committee discussed and deliberated on the queries raised by the agencies and agreed as follows:

1. Both agencies requested to extend the time for work completion from three months to five months as different modules as per specifications given in the tender document are to be developed online and needs to be integrated. Accordingly, the committee agreed for five months time for completion of work.
2. M/s ItSilver sought clarification regarding the responsibility of the software data to be uploaded on VPS server. In this regard the committee clarified that the responsibility of the VPS server in all respects shall be with the firm who will be awarded the work.

3. Both agencies sought clarification regarding inclusion or exclusion of taxes in the estimated cost given under particulars of the tender. The committee clarified that the estimated cost given in the tender document is inclusive of all taxes.
4. M/s ItSilver sought clarification regarding the root access of the server. The committee clarified that the root access of the server and all source code of the software shall be provided by the firm to PGSC as and when required.

All other terms & conditions shall be as per the original tender document.
